

BCONS23021

August 8, 2024

Ray Meehan, President
Lenni Electric Corporation
1020 Andrew Drive
West Chester, PA 19380

**RE: Notice of Intent to Award
E. Elm Street (SR 3058) & Harry Street Signal Modernization (Contract No. 202201145138)
Borough of Conshohocken, Montgomery County, PA**

Dear Mr. Meehan:

On Friday, July 19th, 2024, three (3) bids were received for the above referenced project in accordance with the published advertisement. Lenni Electric Corporation was determined to be the lowest responsive bidder. A copy of the bid tabulation is attached.

At their meeting on August 7th, 2024, Borough Council approved the intent to award the above referenced project to Lenni Electric Corporation contingent upon the issuance of a written contractor responsibility determination in accordance with the Borough of Conshohocken's Responsible Contractors Ordinance.

As required by Section 13-125 of the Ordinance, please submit within seven (7) calendar days a list containing the names of any intended subcontractors that will be used for the project, including their contact information, and a description of work that each subcontractor will perform. The submission shall also include completed subcontractor responsibility certification forms, executed by each subcontractor, and verification of apprenticeship qualifications as outlined in Section 13-123 of the Ordinance.

The Borough will review the submission to determine if Lenni Electric Corporation meets the requirements of the Borough's Responsible Contractors Ordinance and other applicable laws and regulations and has the resources and capabilities to successfully perform the contract. If Lenni Electric Corporation does not meet the requirements, the Borough will review the bid submission from the next lowest responsive bidder(s) for compliance with the Responsible Contractors Ordinance. If you have any questions or require additional information, please do not hesitate to contact me.

Sincerely,

PENNONI ASSOCIATES INC.

BOROUGH OF CONSHOHOCKEN

CONTRACTOR/SUBCONTRACTOR RESPONSIBILITY CERTIFICATION

RESPONSIBLE CONTRACTOR REQUIREMENTS

CHAPTER 13, SECTIONS 121-130

ALL CONTRACTORS AND SUBCONTRACTORS OF ANY TIER THAT PERFORM WORK ON A CONTRACT VALUED AT OVER \$350,000 ON ANY PUBLIC FACILITY OR PUBLIC WORKS PROJECT, INCLUDING CONSTRUCTION, DEMOLITION, ALTERATION, RENOVATION, REPAIR AND CONTRACT SERVICE OR CONTRACT MAINTENANCE WORK, SHALL MEET THE REQUIREMENT OF THE BOROUGH OF CONSHOHOCKEN RESPONSIBLE CONTRACTORS REQUIREMENTS, CHAPTER 13 SECTIONS 121-130.

IF A FIRM FAILS TO PROVIDE THIS CONTRACTOR RESPONSIBILITY CERTIFICATION, IT SHALL BE DISQUALIFIED FROM BIDDING. NO ACTION OF ANY NATURE SHALL LIE AGAINST THE BOROUGH BECAUSE OF ITS REFUSAL TO ACCEPT A BID FOR FAILING TO PROVIDE THE REQUIRED INFORMATION. IN THE EVENT THAT A SUBCONTRACTOR IS DISQUALIFIED, NO TYPE OF CONTRACTUAL CLAIM SHALL BE PERMITTED AGAINST THE BOROUGH ON THE BASIS ON A SUBCONTRACTOR DISQUALIFICATION.

CONTRACTORS: As a condition of performing work on a public works contract subject to this ordinance, a general contractor, construction manager, or other lead or prime contractor seeking award of a contract shall submit this Contractor Responsibility Certification at the time it submits its bid for a contract.

SUBCONTRACTORS: The Subcontractor Responsibility Certification shall be executed by the respective subcontractors of any tier upon request by the Contractor on this form and shall contain the same information and representations required in the Contractor Responsibility Certifications, including verification of apprenticeship qualifications as required by Chapter 13 Section 123.3.K, for each trade or classification of craft workers it will employ on the project.

Name of Company: Lenni Electric Corp

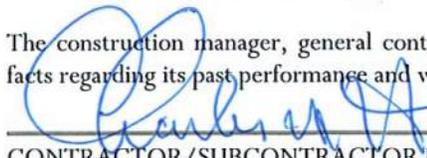

Address: 1020 Andrew Drive
West Chester, PA 19380

Phone No.: 610 636-6517 Email: chall@lenni-electric.com

Contract Name/Number: GLG 202201145139 202201145140
202201145136 202201145138

Role in project: Elm St Project

The construction manager, general contractor, other lead or prime contractor, or subcontractor shall confirm the following facts regarding its past performance and work history and its current qualification and performance capabilities:

1. Does the firm and its employees have all valid, effective licenses, registrations and/or certificates required by federal, state, county, or local law, including, but not limited to, licenses, registrations or certificates required to (a) do business in the designated locale; (b) perform the contract work it seeks to perform? This shall include, but is not limited to, licenses, registrations or certificates for any type of construction or maintenance trade work or specialty work which the firm proposed to self-perform.

YES NO

If no, please explain: _____

2. Does the firm meet the bonding requirements for the contract, as required by applicable law or contract specifications and any insurance requirements, as required by applicable law or contract specifications, including general liability insurances, workers' compensation insurance and unemployment insurance?

YES NO

If no, please explain: _____

3. Has the firm been debarred or suspended by any federal, state or local government agency or authority in the past three (3) years?

YES NO

If yes, please explain: _____

4. Has the firm defaulted on any project in the past three (3) years?

YES NO

If yes, please explain: _____

5. In the past three (3) years, has the firm had any type of business, contracting or trade license, registration, or other certification revoked or suspended?

YES NO

If yes, please explain: _____

6. In the past 10 years, has the firm and its owners been convicted of any crime relating to the contracting business?

YES _____ NO X _____

If yes, please explain: _____

7. In the past three (3) years, has the firm been found in violation of any law applicable to its contracting business, including, but not limited to, licensing laws, tax laws, prompt payment laws, wage and hour laws, prevailing wage laws, environmental laws or others, where the result of such violation was the payment of a fine, backpay damages or any other type of penalty in the amount of \$1,000.00 or more?

YES _____ NO X _____

If yes, please explain: _____

8. Does the firm agree to pay all craft employees that it employs on the project the current wage rates and fringe benefits as required under applicable federal, state or local wage laws?

YES X _____ NO _____

If no, please explain: _____

9. Does the firm agree that all craft labor that will be employed by the firm for the project have completed at least the OSHA 10-hour training course for safety established by the U.S. Department of Labor, Occupational Safety and Health Administration?

YES X _____ NO _____

If no, please explain: _____

10. Does the firm agree to employ craft employees in all classifications and individual trades required to successfully perform the work related to this project?

YES X _____ NO _____

If no, please explain: _____

11. Has the firm participated in a Class A Apprenticeship Program for at least the past three (3) years, at a minimum, for each separate trade or classification in which it employs craft employees?

For purposes of this Certification, a Class A Apprenticeship Program is defined as an apprenticeship program that is currently registered with and approved by the U.S. Department of Labor or a state apprenticeship agency and has graduated apprentices to journeyperson status for at least three (3) of the past five (5) years.

YES _____ NO _____

If no, please explain: _____

12. Has the firm attached to this Certification a list of all trades or classifications of craft employees it will employ on the project and documentation that it participates in a Class A Apprenticeship Program for each trade or classification listed?

YES _____ NO _____

If no, please explain: _____

13. Has the firm attached documentation to this Certification to confirm that there have been apprentices graduated to journeyperson status for at least three (3) of the past five (5) years from each Class A Apprenticeship Program it participates in for each separate trade or classification in which it employs craft employees?

YES _____ NO _____

If no, please explain: _____

14. Does the firm have all other technical qualifications and resources, including equipment, personnel and financial resources, to perform the referenced contract, or will obtain same through the use of qualified, responsible subcontractors?

YES _____ NO _____

If no, please explain: _____

15. Does the firm agree to maintain all qualifications, resources and capabilities referenced in this Certification throughout the duration of the project?

YES _____ NO _____

If no, please explain: _____

16. Does the firm agree to notify the Borough of Conshohocken within seven (7) days of any material changes to all matters attested to in this Certification?

YES _____ NO _____

If no, please explain: _____

17. Does the firm attest that execution of this Certification does not establish a presumption of contractor responsibility and that the Borough of Conshohocken may require any additional information it deems necessary to evaluate a firm's status as a responsible contractor, including technical qualifications, financial capacity or other resources and performance capabilities, which may be a separate statement of qualifications and experience or an attachment to the Contractor Responsibility Certification?

YES _____ NO _____

If no, please explain: _____

18. Does the firm attest that if it has ever operated under another name or controls, is controlled by another company or business entity or in the past five (5) years controlled or was controlled by another company or business entity, whether as a parent company, subsidiary or in any other business relation, it has attached a separate statement to this Certification that explains in detail the nature of any such relationship, including any additional information that may be required from such an entity if the relationship in question could potentially impact contract performance?

YES _____ NO _____

If no, please explain: _____

19. Does the construction manager, general contractor or other lead or prime contractor firm attest that it shall provide a subcontractor list, subcontractor information, and Subcontractor Responsibility Certifications for all listed subcontractors within seven (7) days as specified in Chapter 13 Section 125 if the firm receives a Notice of Intent to Award the contract?

YES X NO _____

If no, please explain: _____

I hereby certify that this Contractor/Subcontractor Responsibility Certification has been executed by persons having sufficient knowledge to address all matters in this Certification and that, under the penalty of perjury, certify that all information submitted is true, complete and accurate.

Role in project: Sub Contractor

The construction manager, general contractor, other lead or prime contractor, or subcontractor shall confirm the following facts regarding its past performance and work history and its current qualification and performance capabilities:

1. Does the firm and its employees have all valid, effective licenses, registrations and/or certificates required by federal, state, county, or local law, including, but not limited to, licenses, registrations or certificates required to (a) do business in the designated locale; (b) perform the contract work it seeks to perform? This shall include, but is not limited to, licenses, registrations or certificates for any type of construction or maintenance trade work or specialty work which the firm proposed to self-perform.

YES _____ NO _____

If no, please explain: _____

2. Does the firm meet the bonding requirements for the contract, as required by applicable law or contract specifications and any insurance requirements, as required by applicable law or contract specifications, including general liability insurances, workers' compensation insurance and unemployment insurance?

YES _____ NO _____

If no, please explain: _____

3. Has the firm been debarred or suspended by any federal, state or local government agency or authority in the past three (3) years?

YES _____ NO _____

If yes, please explain: _____

4. Has the firm defaulted on any project in the past three (3) years?

YES _____ NO _____

If yes, please explain: _____

5. In the past three (3) years, has the firm had any type of business, contracting or trade license, registration, or other certification revoked or suspended?

YES _____ NO _____

If yes, please explain: _____

6. In the past 10 years, has the firm and its owners been convicted of any crime relating to the contracting business?

YES _____ NO X _____

If yes, please explain: _____

7. In the past three (3) years, has the firm been found in violation of any law applicable to its contracting business, including, but not limited to, licensing laws, tax laws, prompt payment laws, wage and hour laws, prevailing wage laws, environmental laws or others, where the result of such violation was the payment of a fine, backpay damages or any other type of penalty in the amount of \$1,000.00 or more?

YES _____ NO X _____

If yes, please explain: _____

8. Does the firm agree to pay all craft employees that it employs on the project the current wage rates and fringe benefits as required under applicable federal, state or local wage laws?

YES X _____ NO _____

If no, please explain: _____

9. Does the firm agree that all craft labor that will be employed by the firm for the project have completed at least the OSHA 10-hour training course for safety established by the U.S. Department of Labor, Occupational Safety and Health Administration?

YES X _____ NO _____

If no, please explain: _____

10. Does the firm agree to employ craft employees in all classifications and individual trades required to successfully perform the work related to this project?

YES X _____ NO _____

If no, please explain: _____

11. Has the firm participated in a Class A Apprenticeship Program for at least the past three (3) years, at a minimum, for each separate trade or classification in which it employs craft employees?

For purposes of this Certification, a Class A Apprenticeship Program is defined as an apprenticeship program that is currently registered with and approved by the U.S. Department of Labor or a state apprenticeship agency and has graduated apprentices to journeyperson status for at least three (3) of the past five (5) years.

YES _____ NO _____

If no, please explain: _____

12. Has the firm attached to this Certification a list of all trades or classifications of craft employees it will employ on the project and documentation that it participates in a Class A Apprenticeship Program for each trade or classification listed?

YES _____ NO _____

If no, please explain: _____

13. Has the firm attached documentation to this Certification to confirm that there have been apprentices graduated to journeyperson status for at least three (3) of the past five (5) years from each Class A Apprenticeship Program it participates in for each separate trade or classification in which it employs craft employees?

YES _____ NO _____

If no, please explain: _____

14. Does the firm have all other technical qualifications and resources, including equipment, personnel and financial resources, to perform the referenced contract, or will obtain same through the use of qualified, responsible subcontractors?

YES _____ NO _____

If no, please explain: _____

15. Does the firm agree to maintain all qualifications, resources and capabilities referenced in this Certification throughout the duration of the project?

YES _____ NO _____

If no, please explain: _____

16. Does the firm agree to notify the Borough of Conshohocken within seven (7) days of any material changes to all matters attested to in this Certification?

YES _____ NO _____

If no, please explain: _____

17. Does the firm attest that execution of this Certification does not establish a presumption of contractor responsibility and that the Borough of Conshohocken may require any additional information it deems necessary to evaluate a firm's status as a responsible contractor, including technical qualifications, financial capacity or other resources and performance capabilities, which may be a separate statement of qualifications and experience or an attachment to the Contractor Responsibility Certification?

YES _____ NO _____

If no, please explain: _____

18. Does the firm attest that if it has ever operated under another name or controls, is controlled by another company or business entity or in the past five (5) years controlled or was controlled by another company or business entity, whether as a parent company, subsidiary or in any other business relation, it has attached a separate statement to this Certification that explains in detail the nature of any such relationship, including any additional information that may be required from such an entity if the relationship in question could potentially impact contract performance?

YES _____ NO _____

If no, please explain: _____

19. Does the construction manager, general contractor or other lead or prime contractor firm attest that it shall provide a subcontractor list, subcontractor information, and Subcontractor Responsibility Certifications for all listed subcontractors within seven (7) days as specified in Chapter 13 Section 125 if the firm receives a Notice of Intent to Award the contract?

YES X NO _____

If no, please explain: _____

I hereby certify that this Contractor/Subcontractor Responsibility Certification has been executed by persons having sufficient knowledge to address all matters in this Certification and that, under the penalty of perjury, certify that all information submitted is true, complete and accurate.

Subject: **Albert G. Cipolloni, Jr & Sons, Inc.** Apprenticeship Program Certification

To whom it may concern:

This letter serves to confirm and certify that **Albert G. Cipolloni, Jr & Sons, Inc.** is a current member in good standing of Associated Builders & Contractors (ABC) Eastern Pennsylvania Chapter and has access to our apprenticeship program. The ABC Eastern Pennsylvania Apprenticeship Trust (ABC EP Apprenticeship Trust) is approved and registered to operate as a Registered Apprenticeship Program by the Pennsylvania Apprenticeship Training Council (PATC), a department of the Pennsylvania Department of Labor and Industry and the Federal Department of Labor (DOL). The ABC EP Apprenticeship Trust's program identification number is PA00667005. The ABC-EP Apprenticeship Trust has been operating continuously as a bona fide, certified Apprenticeship Training Program since 1967, and has graduated students from apprentice to journeyman status since 1971 to the present.

As a member of the ABC Eastern Pennsylvania Chapter, **Albert G. Cipolloni, Jr & Sons, Inc.** has had and will continue to have access to programs in the following apprentice trades:

- Operator/Heavy Equipment
- Masonry
- Laborer

Sincerely,

Rachael Vermeulen
