Grab your girls and join us for a feel-good, confidence-boosting Tween Girls Night Out! This interactive evening blends connection and creativity into a fun, uplifting experience designed just for ages 8-13. In today's culture of comparison and perfectionism, girls need spaces where they can "keep it real" and celebrate who they are. During this special night out, participants will:

- Explore a meaningful story about individuality and self-worth.
- Experience hands-on clay mixing and create a one-of-a-kind keepsake
- Discover the CHERI framework (Confidence, Heart, Empowerment, Radiance, Individuality)
- Build connection and courage through playful group trivia

We want girls to leave feeling seen, supported, and proud of what makes them shine. Space is limited to keep the experience personal and interactive.
