ZONING NOTICE JULY 20, 2026 ZONING HEARING BOARD MEETING

ZONING HEARING Z-2026-09

NOTICE IS HEREBY GIVEN that the Conshohocken Zoning Hearing Board will conduct a public hearing on July 20, 2026, at 6:30 p.m. prevailing time. The meeting will be held at Borough Hall, located at 400 Fayette Street, Conshohocken, PA 19428. At this time, the Conshohocken Zoning Hearing Board will hear testimony and accept evidence on the following petition:

PETITIONER: MJ Paschall, Member of Launch 246 LLC
201 East 5th Avenue, Conshohocken, PA 19428

PREMISES INVOLVED: 201 East 5th Avenue
Conshohocken, PA 19428
BR-1 – Borough Residential District 1

OWNER OF RECORD: Launch 246 LLC d/b/a Willough Bed & Breakfast
201 East 5th Avenue, Conshohocken, PA 19428

The petitioner is seeking Variances from the Conshohocken Borough Zoning Ordinance of 2001 as follows:

- Section 27-1002 to permit a new SideBar commercial use on the subject property when commercial uses are not permitted by right within the BR-1 zoning district;
- Section 27-2002 to not provide the required additional off-street parking spaces for the proposed SideBar use;
- Section 27-2106.2 & 27-813.H to permit a 4 SF illuminated “SideBar” sign on the subject property when the maximum sign size shall not exceed 2 SF within the BR-1 zoning district;
- Section 27-813.D to permit the sale of pre-made foods when not more than one daily meal is permitted to be served for the Bed and Breakfast (B&B) business;
- Section 27-813.F to permit the sale of alcoholic beverages for the Bed and Breakfast (B&B) business which is not permitted for a Bed and Breakfast (B&B) business;
- Section 27-813.G to permit modifications to the building façade for the installation of a sunshade or retractable awning to accommodate the proposed SideBar patio dining use that will reduce the appearance of a single-family dwelling; and,
- Section 27-1005 to permit the installation of the sunshade or retractable awning to extend into the required yard areas which will not comply with the required dimensional setback requirements.

Interested parties are invited to participate in the hearing. Anyone requiring special accommodations to attend should contact the Conshohocken Borough Administration Office at 610-828-1092 or zoning@conshohockenpa.gov as soon as possible for arrangements.

If you have questions regarding the above prior to the meeting, please contact the Borough at zoning@conshohockenpa.gov.

Thank you,
Zoning Hearing Board

Re: 201 East Fifth Avenue – Zoning Determination

History of the Site:

201 East Fifth Avenue (PARID: 05-00-03520-00-3) is an existing nonconforming 8,400 SF parcel located within the BR-1 – Borough Residential District 1 and subject to the provisions of the nonconforming structures, uses, and lots provisions set forth in Part 7 of the Conshohocken Borough Zoning Ordinance of 2001.

The property is a corner property fronted by East Fifth Avenue (80' feet right-of-way) to the north and Hallowell Street (66' feet right-of-way) to the west; a twenty (20') feet wide unnamed alley to the south; and residential properties to the east.

According to Montgomery County property records, the parcel address is listed as 8 Condo East Fifth Avenue, which is commonly known as 201 East Fifth Avenue. The property was improved with a three (3)-story Queen Anne Victorian style single family detached dwelling that was constructed in circa 1875. The dwelling was later converted to a commercial Bed-and-Breakfast use in 2016, and was known as the George Washington Wood B&B, LLC. In accordance with the Zoning Hearing Board Decision & Order dated August 10, 2016, the George Washington Wood B&B, LLC, were granted the following variances to operate a Bed-and-Breakfast on the subject property:

- Section §27-1002 – from the permitted uses by right within the BR-1 zoning district.
- Section §27-813.A – to permit a bed-and-breakfast use on a lot with an area less than 12,000 SF.
- Section §27-813.C – to permit only six (6) parking spaces for the bed-and-breakfast use in the front yard.
- Section §27-1005.G – to permit the maximum impervious coverage to exceed 60% of the lot area.
- Section §27-2007.F – to not provide a buffer strip 10 feet in width along each property line abutting a residential property or public right-of-way

Additional site improvements include a paver patio along a portion of the site frontage facing Hallowell Street; an asphalt/paver parking area containing six (6) off-street parking spaces with access from the alleyway; and concrete walkways.

In September 2025, the property changed ownership to Launch 246, LLC, dba, Willough Bed-and-Breakfast.

Current Request:

The Applicant, Launch 246, LLC, dba, Willough Bed-and-Breakfast, is proposing to continue operation of the Bed-and-Breakfast use and seeking a second commercial restaurant/bar use named "SideBar." The new use will offer grab and go food and beverage, including alcoholic drinks, live music, and sit down service at certain times to serve the Bed-and-Breakfast guests and public. The proposed additional use will be sharing and occupying the dining room, sunroom and patio spaces associated with the Bed-and-Breakfast use. In addition, the Applicant proposes to host occasional pre-paid events through the "SideBar" business, including specialty culinary experiences for limited guest groups, collaborative food and beverage tasting events with local businesses, and arts-and-crafts workshops.

The petitioner is seeking Variances from the Conshohocken Borough Zoning Ordinance of 2001 as follows:

- Section §27-1002 to permit a new SideBar commercial use on the subject property when commercial uses are not permitted by right within the BR-1 zoning district;
- Section §27-2002 to not provide the required additional off-street parking spaces for the proposed SideBar use;
- Section §27-2106.2 & §27-813.H to permit a 4 SF illuminated "SideBar" sign on the subject property when the maximum sign size shall not exceed 2 SF within the BR-1 zoning district;
- Section §27-813.D to permit the sale of pre-made foods when not more than one daily meal is permitted to be served for the Bed-and-Breakfast business;
- Section §27-813.F to permit the sale of alcoholic beverages for the Bed-and-Breakfast business which is not permitted for a Bed-and-Breakfast business;
- Section §27-813.G to permit modifications to the building façade for the installation of a sunshade or retractable awning to accommodate the proposed SideBar patio dining use that will reduce the appearance of a single-family dwelling; and,
- Section §27-1005 to permit the installation of the sunshade or retractable awning to extend into the required yard areas which will not comply with the required dimensional setback requirements.

Zoning Determination:

The above referenced corner property is located within the BR-1 – Borough Residential District 1, and is subject to provisions of Part 7 of the Conshohocken Borough Zoning Ordinance for nonconforming structures, uses, and lots.

Pursuant to Section §27-702.A, a nonconforming use is the existing lawful use of land and/or buildings and/or structures upon the land which does not conform to any of the permitted uses of the district in which it is located. The existing Bed-and-Breakfast use is considered a lawful nonconforming use since the use is not a use permitted by right within the BR-1 zoning district. However, the Bed-and-Breakfast use obtained zoning relief in 2016 and is permitted to continue pursuant to Section §27-703.A since no change to the existing Bed-and-Breakfast use is proposed.

Per Section §27-702.B of the Borough Zoning Ordinance, a nonconforming building or structure is any existing lawful building or structure that does not conform to the height, location, size, bulk, or other dimensional requirements of the district in which it is located. The existing building is classified as an

existing nonconforming building because the building does not conform to the following dimensional requirements of the BR-1 zoning district:

- The front yard setback of ten (10') feet from the lot line fronting Hallowell Street do not conform to the required twenty-five (25') feet front yard setback of the BR-1 zoning district per Section §27-1005.C.

Per Section §27-1002, the uses permitted by right within the BR-1 zoning district include the following:

1. Single-family detached dwelling
2. Single-family semi-detached (twin) dwelling
3. Accessory uses pursuant to Part 8, General Regulations, §27-811, of the Zoning Ordinance.

The proposed "SideBar" is considered a commercial restaurant/bar use, which is a use not permitted by right within the BR-1 Zoning District; and therefore, a variance is required from Code Section §27-1002 to permit this additional use on the subject property.

In accordance with Section §27-2009, mixed or multiple uses within a single structure or building or the use of land, the amount of off-street parking required shall be determined by the sum of the requirements of the various uses computed separately in accordance with Section §27-2002, except where the applicant(s) qualifies under Section §27-2006 for nonresidential parking spaces to be located elsewhere than on the same lot when authorized by a special exception by the Zoning Hearing Board. Per Section §27-2002, a restaurant use, other than dine in or fast food, requires one (1) parking space per employee and/or volunteer on the largest shift or during peak periods, plus one (1) parking space per 50 SF of gross floor area. The Applicant is proposing to utilize the existing dining room (approximately 228 SF), sunroom (approximately 168 SF), and outdoor patio area (approximately 254 SF) which totals approximately 650 SF. The additional parking required for the additional new "SideBar" restaurant/bar use will require at least thirteen (13) new parking spaces plus one (1) parking space per employee and/or volunteer on the largest shift during peak periods. The Applicant will need to clarify the number of employees to ensure the actual off-street parking spaces needed for the additional new "SideBar" restaurant/bar use. For the occasional events use, the closest off-street parking use category would be for a "meeting, training, or classroom space as a primary use" which requires one (1) space per two (2) seats of total seating capacity. The Applicant will need to clarify the total seating capacity in order to calculate the required off-street parking required for the events space use. Since this events use is being provided under the "Sidebar" business, the greater number of required off-street parking spaces should govern. Furthermore, since the Applicant is not proposing additional off-street parking for the additional new "SideBar" restaurant/bar use; a variance from Section §27-2002 will be required.

Pursuant to Section §27-813.H of the General Regulations of the Zoning Ordinance requires signs under the code provisions of Bed-and-Breakfast accommodations to be provided in accordance with the sign ordinance requirements for home occupations located in residential districts. Accordingly, per Section §27-2106.2, signs permitted in the BR-1 - Borough Residential District 1, states that *"professional, accessory use, home occupation or name signs on the same lot with, and indicating the name, profession or activity of the occupant of the dwelling, provided that the area of any one side shall not exceed two (2) square feet, and provided that not more than one such sign shall be erected for each permitted use or dwelling."* The Applicant is proposing a four (4) SF illuminated "SideBar" sign for the new use to be mounted on the existing Bed-and-Breakfast building. Since the proposed four (4) SF "SideBar" sign size will be larger than the maximum permitted two (2) SF sign size permitted within the BR-1 zoning district, a variance from Code Sections §27-813.H

and §27-2106.2 to permit the four (4) SF sign to be mounted on the existing Bed-and-Breakfast building which is not associated with a home occupation.

Per Section §27-813.D under the code provisions of Bed-and-Breakfast accommodations limits meal service to one (1) daily meal per paying overnight guest. Since the proposed "SideBar" business will be occupying the same interior dining and sunroom spaces and outdoor patio space with the existing Bed-and-Breakfast use and will be offering food services throughout the day to the Bed-and-Breakfast guests and to the public as part of the "SideBar" business, a variance will be required to permit the sale of foods when not more than one daily meal is permitted to be served within the Bed-and-Breakfast facility.

Per Section §27-813.F under the code provisions of Bed-and-Breakfast accommodations prohibits the sale of alcoholic beverages on the premises. Similarly, since the proposed "SideBar" business will be occupying the same interior dining and sunroom spaces and outdoor patio space with the existing Bed-and-Breakfast use and will be offering alcoholic drinks to the Bed-and-Breakfast guests and to the public as part of the "SideBar" business, a variance will be required to permit the sale of alcoholic drinks to be served within the Bed-and-Breakfast facility.

In accordance with Section §27-813.G under the code provisions of Bed-and-Breakfast accommodations requires that any modifications, additions, alterations, fire escapes, etc. be allowed only to the side and rear of the building, with the building's façade to be maintained to appear as a single-family dwelling. The Applicant is proposing to alter the front façade of the existing Bed-and-Breakfast building facing Hallowell Street to provide an eighteen (18') feet long retractable awning over the existing twelve (12') feet wide outdoor patio space for the proposed "SideBar" business which extends about two (2') feet within the Hallowell Street right-of-way. As a corner property, the awning will be mounted on the front building façade facing Hallowell Street rather than to the side and rear of the building. The awning will also reduce the existing Victorian appearance of the single-family dwelling used as a Bed-and-Breakfast. Therefore, a variance will be required to permit the installation of the retractable awning on the front building façade facing Hallowell Street.

Furthermore, the retractable awning will be extending into the required front yard setback facing Hallowell Street. Per Section §27-1005.C, the required front yard setback shall be 25 feet, to be measured from the ultimate right-of-way line; except where there is an established building line, then the building line of the majority of the buildings on that side of the block shall be used. This side of the block includes this corner property separated by an alleyway with only one (1) other corner property located on the opposite side of the alleyway fronting East Fourth Avenue and Hallowell Street. Both properties do not have the same established building line; therefore, the required front yard setback is 25 feet. The existing building is currently nonconforming at an approximately ten (10') feet front yard setback from the Hallowell Street legal right of way line. Since the awning will extend into the entire front yard setback area and slightly about two (2') feet into the Hallowell Street right-of-way, a variance from Section §27-1005.C to permit the installation of the retractable awning at zero (0') feet front yard setback will be required.

Since the proposed retractable awning will not be supported by columns, the awning will not be factored into the building coverage calculation by definition; therefore, the existing building coverage on the property will not change with the proposed additional new "SideBar" business. Similarly, the existing impervious coverage on the property will remain the same as no new impervious coverage is proposed on the property with the proposed additional new "SideBar" business.

8. Has there been previous zoning relief requested in connection with this Property?

Yes ☒ No ☐ If yes, please describe.

Applicant is currently attempting to obtain a copy of prior Variance. Applicant's tentative understanding is that in 2015 or 2016, the ZHB granted use, dimensional and parking Variances enabling the Property's use as a Bed & Breakfast with 5 rooms and 5 parking spaces.

9. Please describe the present use of the property including any existing improvements and the dimensions of any structures on the property.

The property is currently being used as a 5 room bed B&B with a chef-led gourmet breakfast for guests. There have been no structural or significant programmatic changes since the Applicant purchased the property from its prior owner. Please see attached memorandum and site plan for further detail.

10. Please describe the proposed use of the property.

The property will continue operating as a B&B. This Application proposes a second, food/beverage line of business open to B&B guests and non-guests to be named SideBar. SideBar will be an indoor-outdoor business (occupying the dining room, sunroom and patio along Hallowell Street) open to the public from Tuesday through Sunday, 4:30 PM – 10:00 PM. SideBar will serve "grab & go" pre-made food items and non-alcoholic drinks. SideBar will also have sit-down dining at certain set times featuring food alcoholic beverages (to be sold under a PA Limited Distiller's satellite license). Please see attached memorandum for further detail.

11. Please describe proposal and improvements to the property in detail.

The entrance will be at the sunroom door, marked with a 2 ft. x 2ft. illuminated sign reading "SideBar". Live music from musicians will not be amplified and will comply with the Borough noise ordinance. On occasion, SideBar will host pre-paid, reservation only special events such as wine tastings and chef's table events, as well as arts events such as container gardening and craft making. A sunshade or retractable awning may be installed over a portion of the outdoor area. Privacy hedges will be installed along the perimeter of the outdoor area. Please see attached memorandum for further detail.

12. Please describe the reasons the Applicant believes that the requested relief should be granted.

**APPLICANT’S RECOMMENDATIONS FOR
FINDINGS OF FACT & CONCLUSIONS OF LAW
IN SUPPORT OF GRANT OF VARIANCES**

SUMMARY OF APPLICATION

The subject property, having Parcel ID 05-00-03520-00-3 (hereinafter the “Property”), contains a large residential structure which was constructed in 1881 by George Washington Wood, son of steel magnate Alan Wood.¹ It is described by the Library of Congress’s Historic American Buildings Survey as “a good example of a high style house built for the industrialist elite during the late 19th century. The erection of houses such as this one represent the growth and prosperity of the area during the late 19th century, which served to extend the upper-class residential neighborhood southeastward.”² The Property was purchased by Carol and Joe Rutkowski in 2017 and renovated into a bed and breakfast pursuant to Variances obtained in 2015 or 2016. Joe Rutkowski sold the Property to Launch 246 LLC, the present owner and Applicant, in September 2025. Since, the Applicant has since continued to operate the Property as a bed and breakfast and has made no structural modifications to the premises.

The Applicant now seeks additional Variances under the Conshohocken Borough Zoning Ordinance of 2001 (the “Zoning Ordinance”) from the Zoning Hearing Board of the Borough of Conshohocken (the “Zoning Board”) in order to facilitate a limited expansion of the Property’s line of business into food and beverage service to the general public (persons beyond bed and breakfast guests). As detailed below, the Applicant seeks to operate a business concept named SideBar that will be open to the community Tuesday through Sunday, 4:30 PM – 10:00 PM. SideBar will be an indoor-outdoor serving take-away light bites and non-alcoholic beverages and mocktails. For sit-down service only, SideBar will also serve specialty cocktails, beer, and wine under a Pennsylvania Distiller’s satellite location license.

SUGGESTED FINDINGS OF FACT

1. The Applicant is Launch 246 LLC (“Applicant”), a Pennsylvania limited liability company. Applicant is the owner of the Property by way of a Deed dated September 22, 2025 and recorded with the Montgomery County Recorder of Deeds on October 31, 2025 bearing Deed Book 6419 Page 00149.

2. Applicant is represented by Meredith L. Ferleger, Esq. and Brandon M. Savran, Esq. of Dilworth Paxson LLP.

3. The Property comprises 8,400 square feet of land according to the Deed.

4. The Property is located at the southeastern corner of Hallowell Street and East Fifth Avenue.

5. The Property contains one residential structure constructed in 1881.³

6. Since 2017, the structure has been used as a bed and breakfast, first by Carol and Joe Rutkowski under the name “George Washington Wood Bed & Breakfast”, and then, since its purchase of the Property in September 2025, by the Applicant and its principal MJ Paschall under the name “Willough Bed & Breakfast”.

7. The structure contains five (5) suites that are available for rental by bed and breakfast guests.

8. The property will continue operating as a bed and breakfast (“B&B”). This Application proposes a second food and beverage line of business open to both B&B guests and non-guests to be named SideBar.

9. Use, dimensional and parking Variances were obtained from the Zoning Board in 2015 or 2016 in order to allow the operation of the B&B to commence; the Applicant will continue to avail itself of these Variances.

10. The Applicant now seeks additional use and dimensional variances in order to open SideBar and install an associated retractable awning.

11. The Property provides five (5) off-street parking spaces, as permitted by the prior Variances.

12. Breakfast is prepared on-site and is provided daily to all guests.

13. SideBar will be an indoor-outdoor business occupying the structure’s existing dining room, sunroom, and outdoor patio along Hallowell Street. Adirondack chairs and wrought iron cocktail seating is planned for the sunroom and patio.

14. SideBar will be a casual, community-centric space. Area residents and families can walk over from Mary Wood Park (caddy-corner from the Property) to relax and meet up with

³ See fn. 1 & 2.

neighbors. Side Bar is an effort to establish the Property as a good neighbor and a proponent of all that makes Conshohocken a special community.

15. SideBar will be open to the public from Tuesday through Sunday, 4:30 PM – 10:00 PM.

16. SideBar will serve "grab & go" pre-made food items and non-alcoholic drinks. Pre-made food items will be delivered to the Property primarily from another Conshohocken-based food business.

17. SideBar will also have sit-down dining at certain set times (a daily afternoon tea and a weekly Sunday brunch are currently envisioned) featuring alcoholic beverages to be sold under a PA Limited Distiller's satellite license. By hanging an existing PA Limited Distiller's license at SideBar as a satellite location, SideBar will have the ability to sell that particular Distiller's products as well as other Pennsylvania-produced liquor, wine and beer. The participating Distiller will initiate the satellite location license process with the PA Liquor Control Board.

18. Live music from musicians will not be amplified and will comply with the Borough noise ordinance, codified at Chapter 10, Part 5 of the Borough's Code of Ordinances. All musical acts will feature three (3) or fewer musicians.

19. On occasion, SideBar will host pre-paid, reservation only special culinary events for a limited number of guests, paired with other local business, such as wine or whisky tastings, and chef's tables with wine pairings (under the PA Limited Distiller's satellite license), as well as arts events such as container gardening, cookie decorating and craft making.

20. SideBar will have a distinct entrance from Willough B&B at the sunroom door, marked with a 2 feet x 2 feet illuminated sign reading "SideBar".

21. As shown on the site plan, a sunshade or retractable awning will be installed over a portion of the Hollowell Street-fronting patio so that it can serve as comfortable seasonal outdoor seating.

22. The Application does not otherwise propose to alter the historic structure.

23. Privacy hedges will be installed along the perimeter of the outdoor seating area.

24. The Applicant is unaware of any complaints regarding its existing B&B by members of the public.

25. The Property's surroundings on Hollowell Street, which SideBar will face, are mixed-use in nature and feature uses such as:

A. St. Paul Baptist Church (140 E. Third Avenue, at Hollowell Street);

B. Hollowell Court Apartments (141 E. Fourth Avenue, at Hollowell Street);

- C. Mary Wood Park and Playground (Hallowell Street between E. Fifth Avenue and E. Sixth Avenue).

SUGGESTED CONCLUSIONS OF LAW

1. The Property is located in the “BR-1” zoning district (Borough Residential District One).

2. Bed and breakfast use as a home occupation (provided the operator lives on-site) is permitted in the BR-1 district in detached buildings such as the Property’s structure. Zoning Ordinance Sec. 27-813.

3. In Case No. _____, the Zoning Board granted use, dimensional and parking Variances allowing bed and breakfast use to commence despite, *inter alia*, insufficient lot area and number of parking spaces per the Zoning Ordinance.

4. The opening of the SideBar venture on the Property means that the Property will no longer conform to *additional* provisions of the Zoning Ordinance.

A. SideBar will no longer conform to subsections (D), (F), (G) and (G) of Section 27-813 of the Zoning Ordinance.

B. The mixed-use of a property (engagement in more than one (1) primary use) is not permitted in the BR-1 district. Zoning Ordinance Sec. 27-1002.

C. Restaurant / food and beverage use of a property is not permitted in the BR-1 district. Zoning Ordinance Sec. 27-1002.

D. While signs accessory to home occupations such as bed and breakfast use are permitted in the BR-1 district, such signs must not exceed two (2) square feet, may only indicate the “name, profession or activity of the occupant of the dwelling”, and may not number more than one (1) sign per property. Zoning Ordinance Sec. 27-813(H); Sec. 27-2106(2).

E. While retractable awnings are permitted, SideBar proposes a retractable awning with no required setback from Hallowell Street (extending to the property boundary at the sidewalk). Zoning Ordinance Sec. 27-805; Sec. 27-1005.

F. With regard to off-street parking requirements:

- i. Zoning Ordinance Sec. 27-2002 requires, “1 space per 50 square feet of gross floor area” for restaurants.
- ii. For a bed and breakfast, Sec. 27-2002 requires “2 spaces, plus 1 space per rental unit”, whereas Sec. 27-813(C) requires that “[o]ne off-street parking space for each guest bedroom shall be provided in a side or rear yard, in addition to any required parking”. These sections of the Zoning Ordinance are in conflict, with the former

requiring seven (7) spaces and the latter requiring only five (5) spaces.

5. By this Application, the Applicant has requested several variances excusing compliance with the aforementioned Zoning Ordinance sections in order to operate the proposed SideBar business alongside the existing Willough Bed and Breakfast on the Property, and to install a retractable awning.

6. The Pennsylvania Municipalities Planning Code (“MPC”) confers authority to municipalities to grant variance relief from their zoning ordinances, and Zoning Ordinance § 27-611 adopts virtually the same standards for the grant of a variance as provided in § 910.2 of the MPC:

A. That there are unique physical circumstances or conditions, including irregularity, narrowness, or shallowness of lot size or shape, or exceptional topographical or other physical conditions and not the circumstances or conditions generally created by the provisions of this Chapter in the neighborhood or district in which the property is located.

B. That because of such physical circumstances or conditions, there is no possibility that the property can be developed in strict conformity with the provisions of this Chapter and that the authorization of a variance is therefore necessary to enable the reasonable use of the property.

C. That the unnecessary hardship has not been created by the applicant.

D. That the variance, if authorized, will not alter the essential character of the neighborhood or district in which the property is located, nor substantially or permanently impair the appropriate use or development of adjacent property, nor be detrimental to the public welfare.

E. That the variance, if authorized, will represent the minimum variance that will afford relief and will represent the least modification possible of the regulation in issue.

F. In granting any variance, the Board may attach such reasonable conditions and safeguards, as it may deem necessary to implement the purposes of this Chapter.

G. Where additional requirements may govern the granting of a variance, such as in Part 17, Floodplain Conservation District, these requirements must be satisfied before the Board will render a decision.

Zoning Ordinance § 27-611.

7. Various appellate court decisions have effectively softened Zoning Ordinance § 27-611(B)’s demand that “there is no possibility that the property can be developed in strict conformity” with the Zoning Ordinance. For instance, in In re Appeal of Garcia, 276 A.3d 340, 345 (Pa. Cmwlth. 2022), the Commonwealth Court held:

Our Supreme Court has summarized that, in the context of use variances, “unnecessary hardship is established by evidence that: (1) the physical features of the property are such that it cannot be used for a permitted purpose; or (2) the property can be conformed for a permitted use only at a prohibitive expense; or (3) the property has no value for any purpose

permitted by the zoning ordinance.” Marshall v. City of Phila., 97 A.3d 323, 329 (Pa. 2014) (emphasis in original) (quoting Hertzberg v. Zoning Board of Adjustment of the City of Pittsburgh, 721 A.2d 43, 47 (Pa. 1998)). However, the Supreme Court has “repeatedly made clear that in establishing hardship, an applicant for a variance is *not required* to show that the property at issue is valueless without the variance or that the property cannot be used for any permitted purpose.” Id. at 330 (emphasis in original). Indeed, the Supreme Court has repeatedly reversed decisions of this Court for requiring a showing of impossibility of compliance or valuelessness to demonstrate hardship. Id. (citing, inter alia, Hertzberg; Valley View [462 A.2d 637 (Pa. 1983)]).

8. The Applicant can successfully demonstrate satisfaction of the standards of Zoning Ordinance Sections 27-610 and -611 for the grant of variances:

B. Variances are required to operate the proposed SideBar business because:

- i. Engaging in multiple principle uses on one property is not permitted in the BR-1 district (Zoning Ordinance Sec. 27-1002);
- ii. Restaurant use of a property is not permitted in the BR-1 zoning district, and SideBar is considered a restaurant under the Zoning Ordinance (Zoning Ordinance Sec. 27-1002);
- iii. Meal service on a bed and breakfast property in the BR-1 district is limited to one daily meal per paying overnight guest, which SideBar will exceed to the extent that bed and breakfast guests patronize it (Zoning Ordinance Sec. 27-813(D));
- iv. Bed and breakfast properties in the BR-1 district may not sell alcoholic beverages (Zoning Ordinance Sec. 27-813(F));
- v. Bed and breakfast properties in the BR-1 district may not engage in modifications or alterations to a front side of a structure (Zoning Ordinance Sec. 27-813(G)), whereas the opening of SideBar will involve alteration to the Hallowell Street side of the structure by nature of installation of a retractable awning and accessory illuminated sign;
- vi. The Applicant seeks to erect a four square foot illuminated sign advertising the name “SideBar”, whereas the Property already has a sign advertising the bed and breakfast, and Zoning Ordinance Sec. 27-813(H) in conjunction with Sec. 27-2106(2) prohibits multiple signs on the Property, signs over two square feet, illuminated signs and the proposed content/copy;
- vii. The Applicant seeks to erect a retractable awning with no setback from the Hallowell Street property boundary, which is prohibited by Zoning Ordinance Sec. 27-1005.

- viii. With the introduction of SideBar to the Property, the Property will have insufficient off-street accessory parking spaces (Zoning Ordinance Sec. 27-2002, Sec. 27-801(C)).

C. The Applicant's proposal is consistent with the intent of the BR-1 district and the Zoning Ordinance given that it preserves a historic structure which carries tremendous community identity and boosts the vibrancy of and is consistent with this mixed-use residential neighborhood.

D. The Property and its structure are suitable for the proposal.

E. The Applicant's proposal would not alter the character of the surrounding district, which is already mixed-use in nature.

F. The proposal adds convenience for those who live in the surrounding neighborhood and enhances the Borough fiscal and social welfare. It does so in a manner that "respect[s] surrounding residential neighborhoods", as provided by the Community Development Objective for commercial development stated at Zoning Ordinance Sec. 27-105(D). This Objective also provides that it is acceptable for commercial activities to mix with residential activities in certain areas.

G. The proposal has no substantial impact on public services and facilities such as water, sewer, police, fire and school services.

H. The proposal has no substantial impact on highway traffic or major roads given that the likely customer base for the business is inherently local, with many patrons likely to walk to the business. No significant parking needs are anticipated.

I. The proposal will not impair the use or development of adjacent property nor harm the public welfare given that the Property has safely and successfully featured a bed and breakfast since 2017, and the proposed SideBar business is of a similar, low impact, complimentary nature that is directly serving of the local community and residents.

J. The structure's large size, significant historical character, and associated unusual interior layout are unique physical conditions that impose an unnecessary hardship and limit the number of possible by-right uses for the building; the Zoning Board's grant of Variances to the Property in 2016 is evidence thereof. Historic structures have been recognized as unique physical conditions that can impose an unnecessary hardship vis-à-vis compliance with zoning ordinances. In re Berkman, No. 113 C.D. 2023, 2025 WL 1411611, at *8 (Pa. Cmwlth. May 15, 2025) (unreported).

K. The bed and breakfast operation has no use for the space proposed to be occupied by SideBar, and the SideBar business's proceeds will help ensure the preservation and maintenance of the Property.

L. The Zoning Board has recognized in other recent, similar cases pertaining to historic structures in the Borough that more flexible usage is necessary to ensure long-term preservation and activation of these large, landmark structures.

M. The structure is already legally nonconforming with regard to the size of its setback from Hallowell Street, and the proposed awning increases the magnitude of this nonconformity, which requires a variance. But the Property does not currently provide cover from the sun among its outdoor areas, and the Applicant has proposed the awning in a location which avoids the need to construct a new patio (and increase impervious surface) on a different portion of the Property. The awning will be erected atop an existing patio area which is directly adjacent to both SideBar's entrance and the sidewalk. This location is in the best interest of the public and the Applicant, and no other location is logical.

N. The Applicant did not construct the structure, and a prior owner commenced its use as a bed and breakfast, so the hardship is not self-made. Berkman, 2025 WL 1411611 at *9. ("Creating a hardship requires initiative. See, e.g., ...Appletree Land Development v. Zoning Board of York Township, 834 A.2d 1214 (Pa. Cmwlth. 2003) (porch constructed in violation of setback requirement not entitled to variance because hardship was one of landowner's own making).")

O. The Applicant need not "demonstrate that the entire building is functionally obsolete for any purpose other than one not permitted under the relevant zoning ordinance". Marshall, 97 A.3d at 332. In other words, an applicant for a use variance is not required to "eliminate every possible permitted use", and the Zoning Board is instead permitted to *infer* on the basis of certain uses discussed at its hearing that, without prohibitive expense, no permitted use may be conducted. Id.

P. Finally, due to the structure's physical characteristics and Zoning Ordinance Sec. 27-813's limit of five (5) guest suites per bed and breakfast, which the structure already contains, residential use is not practical in the ground level spaces proposed to be occupied by SideBar. As such, the Applicant has proposed relief of the minimum necessary deviation from the Zoning Ordinance in the form of a second use of the Property by its existing operator which would be compatible with the bed and breakfast:

[O]nce it is established that the use of the property in strict conformance with the governing ordinance is unachievable, the minimum-necessary variance requirement can be satisfied "by showing that of all the viable alternatives, the proposed use is the least departure from the terms of the ordinance...".

Garcia, 276 A.3d at 354, quoting In re Ridge Park Civic Association, 240 A.3d 1029, 1033-38 (Pa. Cmwlth. 2020).

On the 29 day of SEPTEMBER, 2025 before me, a Notary Public, personally appeared the undersigned affiant, who being duly sworn according to law and intending to be legally bound, deposes and says:

1. That GEORGE WASHINGTON WOOD & S (the "Limited Liability Company") is the owner of the Premises.
2. That the undersigned member of the Limited Liability Company is authorized to execute this affidavit, has the ability to execute all instruments necessary to convey the Premises pursuant to the operating agreement of the Limited Liability Company and is of full legal age and in every respect competent to certify to the statements contained herein.
3. That the Limited Liability Company is organized in the State of PA, its articles of organization have not been revoked and are not in threat of revocation, and that there are no provisions in the operating agreement which in any way impede the Limited Liability Company's ability to convey the Premises.
4. That the sale and conveyance of the Premises has been authorized, approved or consented to by all of the members of the Limited Liability Company or has been authorized, approved or consented to by so many of the members or by members holding such percentage interests in the Limited Liability Company as required by the operating agreement to sell and convey real property owned by the Limited Liability Company.
5. That there are no purchase money obligations or other financing being created in this transfer.
6. That there are no unrecorded leases or agreements affecting the Premises, or other parties in possession of all or any portion of the Premises.
7. That the undersigned knows of no unrecorded claims against the Premises, nor any set of facts by reason of which title to the Premises might be disputed or questioned, and the Limited Liability Company has been in peaceable and undisputed possession of the Premises.
8. That there has not been any construction, repairs, alterations or improvements made, ordered or contracted to be made on or to the Premises, nor materials ordered therefor within the last six months; nor are there any fixtures attached to the Premises which have not been paid for in full; and that there are no outstanding or disputed claims for any such work or item.
9. That there has been no work done, nor notice received that work is to be done by the municipality (city, borough or township) or at its direction, including but not limited to the installation of water or sewer lines, or for improvements such as paving or repaving of streets or the installation of curbs or sidewalks.

10. That to the best of the knowledge of the undersigned, there has been no violation of any covenants, conditions or restrictions of record affecting the Premises and that there are no disputes with any adjoining property owners as to the location of property lines or the encroachment of any improvements.
11. That the Premises has a right of access to the following utilities or services: water service, natural gas service, telephone service, electrical power service, sanitary sewer and storm water drainage.
12. That all taxes due the Commonwealth of Pennsylvania by the Limited Liability Company have been paid in full.
13. That all real estate taxes and water and sewer charges assessed against the Premises have been paid in full.
14. That there are no mortgages, encumbrances, easements, bankruptcies, judgments, liens, unpaid taxes or pending suits adversely affecting the Premises which are known to the undersigned and which have not been disclosed in the title insurance commitment issued at the File No. referenced above.
15. That no notice has been served by any governmental authority for the removal or abatement of any nuisance, for the violation of any Zoning Regulation or concerning the condemnation of any portion of said premises.
16. That the present transaction is not made for the purpose of hindering, delaying or defrauding any creditors of said owner(s) and does not come within the provisions of the Bankruptcy or Insolvency Acts (or any amendments thereof).
17. That there have been no alterations, modifications or changes in the building as shown on the survey and the locations as shown are true and correct. Further there is no dispute with adjoining property owners as to the location of lot lines as shown on the survey.
18. Between the most recent Effective Date of the title insurance commitment and the date of recording of the insured instrument(s) but in no event later than ten business days from the date hereof (the "Gap Period"), the Limited Liability Company has not taken or allowed and will not take or allow any action to encumber or otherwise affect title to the Premises. In the event of any lien, encumbrance or other matter affecting title to the Premises in the Gap Period arising as a result of an act of the Limited Liability Company, the Limited Liability Company hereby indemnifies and holds Title Insurer (as hereinafter defined) harmless against any and all loss or damage sustained as a result thereof and further undertakes to take all necessary steps to discharge any such lien, encumbrance or other matter in a manner reasonably satisfactory to Title Insurer. The Limited Liability Company makes the foregoing assertion, indemnification and undertaking to induce Title Insurer to provide so-called "Gap Coverage" in its policy/policies of title insurance.

This affidavit is made for the purpose of inducing Commonwealth Land Title Insurance Company to hold settlement on the above premises, and to issue its title insurance policy, insuring the title thereto, and deponent(s) aver(s) the foregoing statements are true and correct to the best of his/her/their knowledge and belief.
